

Bark of the Bay

Dinner & Auction Benefit March 7, 2015

All That Jazz will be our 2015 Bark of the Bay theme. Join us to have a roaring 20's good time while raising money to help support our mission of: *offering the best possible care and future for companion animals in our community through leadership, placement, and outreach.*

Dinner guests enjoy a gourmet meal including wine from local vineyards and fine pastry desserts. We are anticipating over 300 guests to come out and enjoy a cocktail reception, dinner, dancing with live Jazz music, silent auctions, and a dessert lounge.

This event has a more selective attendance than our other events. Any business that wants to attract some of the area's most influential community members might consider a Bark of the Bay sponsorship. All sponsorship levels include seating for valued customers or top-performing employees.
